“ Gordon is truly missed here at TPE. I sure miss seeing and talking to him. I saw him nearly every day. He was such a nice person and there is a lot I miss about him. He talked about his son all the time; his white car was always spotless. I could go on and on with a lot of memories of him ; he is really missed.

“ *I worked with Gordon for many years at the statehouse. Gordon was intelligent, witty, and had a great work ethic. We often travelled together on state business, and he was a great travel companion, and he kept everyone laughing at meetings. Later, after he retired we kept in touch and often had lunch together. I will miss him a lot.*

“ Gordon and I have been friends for over 20 years from the time he moved to South Charleston and had cancer problems. He told me all about his growing up, his family, and what a wonderful mother he had. He described his home when he was growing up, playing in a band. We played cards with about 6 other friends. He was so faithful to his church. His happiest thing that ever happened was his son Pete. He adored him. He loved all his family. He had deep respect and love for Pete, Pete's mother, his sister and brothers and his sister's children. He spoke often of them. I just wanted to let you know how much he loved, talked about and respected all his family. My name is Carolyn Miles, phone is 304 552-1887 address is 571 MacCorkle Ave SW, Apt 212 St Albans, WV 25177 All of his friends loved him. I know this he kept the cleanest car I ever saw, and even if there was a little creek, he probably would fish in it. He was so sad when his fishing buddy passed on. He loved going on vacations and taking care of the dogs when he was needed to. I never heard Gordon make a negative comment about anyone. He was a wonderful, kind, considerate, and nice friend to all of us. I am so sorry for your loss, if I had known he was ill I would have come to see him if he wanted company.
