“ I was shocked and saddened to hear of Greg's passing. We were friends for most of our lives as we most likely met in LL Baseball and Church League basketball. He was an outstanding athlete and so well liked by everyone that knew him. He is a great loss for his family and the many friends he had. I always enjoyed running into him and catching up on old times. RIP friend!

“ Greg will always be my "high school" sweetheart. We've always found our way back to each other over the years. I'm so sad as I sit here knowing that we will never be able to talk to each other again. That upsets me deeply and I will miss him so much. The memories and all the times we shared will be treasured very deeply within my heart forever. All my love. Joyce Smith Mayhew xoxo

“ Condolences to Connie, Sherry and family on the passing of Greg. I would visit at Connie's house when we were in high school. I would see Greg walking through, and he was always pleasant with a smile and a hello. The whole family was always nice and friendly to me. My thought and prayers are with his family.

*So sorry for the lost of Greg. I remember him as a child. I would go down the street to visit ,his sister. I remember playing some basketball in his back yard . He was always better at making baskets then me . His mother always cut it short by calling him indoors . Or we could of played for hours. His life was cut short , and my sadness now is for his two sisters. He always had a smile on his face. And I see he was a great looking man . But he will forever be a little boy in my memory . God bless him. Donna Early*

*I am writing this note on behalf of the Keiffer family as our family was friends with the Dunlap family for many years and share in their loss. Greg and I were the best of friends growing up on Lexington Drive. We competed in baseball and basketball and had some mean games of ping pong in the Dunlap's garage. Greg was quite the athlete and almost always won, but our friendship grew with every event. I remember Greg coming by the house when my Dad died and that sure meant a lot to me. I was in town a few weeks ago and saw Greg on the front porch and stopped and talked with him for a few minutes and it was like old times for that short period. Sherrie and Connie, please know that you are both in our thoughts and prayers as we know the last few months have been very tough for both of you.*

*Blessings*

*Connie and Sherrie, I'm so sorry to hear of Greg's passing. I remember all us kids having such fun on good ole Lexington Dr. I remember all of us collecting turtles... I think we had a contest on who could find the most. He was always kind and well mannered and I wish I could have known him later in life. My thoughts and prayers are with you both and your families.*
