“ I met Greg at Capital Chrysler Plymouth in the 1980's as my parts manager (and a darn good one he was). Always friendly, upbeat, and helpful. Later on through the industry, Greg was my service manager at Suburban Subaru. He was always the same, friendly and helpful. I also had the opportunity to help his son Anthony buy two vehicles from 2013-2015 and got to share and reminisce about the automobile business and one of our favorite sports, racing. Through my thirty-five years in the business I've learned its hard to find men like Greg both professionally and personally.

“ Growing up together with our caring and loving family created memories that bring smiles. Greg and I were first cousins but we were also friends. His humor was constant. His heart was true and caring. The dedication to his children and family was obvious and natural.

*Although we are all going to miss his presence, we know that he is no longer suffering and that our God has welcomed him to the peace he deserves. I just picture him fishing with my brother, Rusty, and my son Ryan and our Papa. Oh the stories they are sharing.*

*To my Uncle Bill, my Aunt Delores and my cousins Kevin and Pooch, I send my love and understanding of your pain. Let God give you the strength you need to tackle this and to be there for his children and for each other.*

*I'm a phone call away if you want to talk.*

*I love each of you!*

*God Bless*

“ We are so sorry about your loss it seems unreal. I remember as a young boy he played basketball for BAPTIST TEMPLE CHURCH and he rode with Blake and I to the games and all the times they all played together in our back yards. We send our deepest thoughts and prayers. May god give you the comfort and peace to help at this time.

“ WONDROFUL FAMILY..... MANY  
"MEMORIES ".

*The tide recedes but leaves behind bright seashells on the sand. The sun goes down, but gentle warmth still lingers on the land. The music stops, and yet it echoes on in sweet refrains.....For every joy that passes, something beautiful remains. Those whom we have loved never really leave us. They live on forever in our hearts, and cast their radiant light onto our every shadow..Death is the heartache no one can heal, Memories are keepsakes no one can steal. Beautiful memories are all we have left, Of the ones we loved and will never forget. Softly the leaves of memory fall, Gently we gather and cherish them all. Planted deep in memory's garden And watered daily with tears, Memory has a magical way Of keeping loved ones near. Sorry for your loss. Betty Good Smith & Bridgette Smith.. <3*
