*I remember that Greg liked to cook and he was an awesome cook. I went over to him and Lisa's house with his sister Gail and he fixed me a plate of food to take home with me. It was delicious ❤️*

*Greg and I were from the same neighborhood in Culloden, but me being much older than him we didn't know each other then. I was lucky enough that years later we became next door neighbors. Greg was easy to like, and would give you the shirt off his back. He also was smart and just knew "how to fix stuff". He either helped me or gave me good advice on many "projects" at my home when I needed it. Greg became a dear and close friend to me over the last ten or more years. I thought he'd "have my back" for many years to come. I'll miss you buddy, but we'll meet again some day.*
