“ *I have so many memories of the Escue family; I cannot put them all here. I remember Guy when he was born many years after his sisters, Caroline and Rachel, and near the same time as his sister's first child (Caroline). I would see Guy when I visited Rachel at her parent's home. I remember Guy when he was in high school, and I taught him in 10th grade biology. I send my condolences to the Escue family. Guy will be missed.*

“ *I've only known Guy for the last couple of years, but he was very special to me. He has taught me A LOT over the last year, he “let me in the gate” and I am so thankful for the time I did have with him! I will miss him, and I will carry what we shared with me forever!!!!*
