“ For many years, Wayne serviced my lawn equipment at his garage. Knowing I had no way of transporting the equipment to the garage, he and his wife would come to my home and pick it up. Often they would leave me a "loaner" to use. I was grateful for their great service and help. Wayne was always so professional and pleasant. He was just an exceptionally nice man. When I saw his obituary today, I thought of his kindness and had to send this message.

*My sincere condolences to Wayne's family. Please know that prayers are being said for you today.*
