“ I will always remember the day I saw Harold Parsons walk to the front of our new church building and take a name out of our prayer pots to pray over. I thought to myself "now there's a miracle and there's going to be another one - whoever's name he is holding." He was glowing and I knew the spirit of God was with him in that moment. Love you Harold!

“ The phrase "life is but a vapor" is found in James 4:14, which states that life is like a mist that appears for a short time and then vanishes. This verse emphasizes the fleeting nature of life and the uncertainty of the future. But there is hope in Jesus Christ and a future reunion in heaven. Prayers for the family during your time of loss.
