“ *I loved Harriette. We had such a good time when I worked activities. She was a joy to work with always cheerful and happy. She loved her cigarettes and the good times we had during smoke break. She also loved the Krispy Creme donuts I bought for coffee club. She was a very special lady and I will miss her. My thoughts and prayers are with your family. I will never forget her and the members of her family I have met. With love for a very special lady. ETHEL MOORE*

Stumbled upon this announcement. Very sad to learn of Harriette's passing.

Harriette Allison was our wonderful neighbor on Hawthorne Avenue in Nutley, New Jersey back in 1963. We spent many an hour with Jean, John, Paul, and Bobby -- riding bikes and playing air guitar to Beatles records! Harriette was always so sweet to all of the neighborhood children coming in and out...

At some point Harriette moved the clan to Florida where we lost touch. I often wondered where my old pals went. I was glad to see that Harriette lived to her nineties. She was grand.

Sorry I couldn't find her before now. Would have liked to tell her how much we missed her.

Fondly,

*Patricia Hill
