“ I used to work with Scott at Terex and we became close friends through our mutual love of NASCAR racing. We attended many races together traveling to Charlotte, Michigan, Richmond, Bristol and I am probably missing a few. He was the best race host I've ever met and I will really miss him. Race in Peace my friend and my condolences to the family.

“ I have had the pleasure to work with Scott for almost 2 years. In my mind, this is too short a time. I have learned the long arc of influence Scott has had in our industry, serving, encouraging and influencing thousands in our industry. He will be missed at Manitex and by his many friends and colleagues, of which I am the better to have become one. I am sorry for the loss to family, friends and community. Sincerely - Mike Coffey

“ *In remembrance of Scott Smith:*

Frank Sinatra: Scott loved Frank Sinatra songs and lyrics. This song was one of his favorites.

'My Way' - Song; English-language adaptation of "Comme d'habitude" with Paul Anka; first recorded by Frank Sinatra, 1968/69

I had the fortune of first meeting Scott in the early 90's. I had signed a Distribution Contract with USTC for their Boom Truck line and met Scott at a Dealer Meeting in York, PA.

Over time, we forged a friendship, mutual respect and bond that lasted over several decades.

Scott asked me to come to the Terex Crane Division in 2004 and work for him. He needed help with both building a Sales Team and implementing a structured Distribution Network in NA and Latin America.

I was originally reluctant to make that move. Scott continued to keep asking until I finally agreed in 2005. For 10 years Scott and I worked closely together literally traveling half the world together. I'm certain we spent more time together during many of those years than we spent with our own families.

Scott and I shared a passion for the Crane Industry and a belief that we could change the industries poor perception of Terex Cranes and substantially grow the business. Up until Scott left Terex I believe, we accomplished that and much more.

Scott was a people person and built strong relationship in both business and his personal life. In many ways, Scott's business life was a part of his personal life.

Sadly, Scott has left us. His generosity, integrity, loyalty and friendship remain in memory and as an example to follow.

I will be always be thankful for the all memories and especially

whenever I hear "My Way"
