“ *Wanda: Many times Hulin would stop by the house and we would sit in the swing for hours talking about Dad and the Nitro Little League. Some of these stories were true and some not so true, mostly the latter. Just wanted you to know we are thinking about you and your family and how precious Hulin was to you all. We have been through it and know how you feel. Thinking of you...Jay and Vi Long*

“ Today, Alex and I decided to go to the Southport waterfront restaurant after church because that was where we last saw Harvey and Wanda. What a wonderful memory . We all ate lunch and Harvey and Alex decided to go to the old historic cemetery and Wanda and I decided to walk up the streets to the shops. Our lives go back a long time , and the memories of our families and friends give us great joy. You are all in our prayers. God Bless. Alex and Nona
