“ Marcie,

*I am Midge's first cousin , Margaret Thomas' daughter, Karen Hackett. I will be unable to attend the funeral due to the weather, but I want you to know how much your Mom meant to my Mom during her last days. She would bring her pies and visit often during her illness. The last time I spoke to your Mom was when my Uncle Bill passed away and she shared with me how she had put together a Shafer picture album. She wanted my sister and I to visit and see the album. Because of COVID , we were unable to visit. Someday if possible, we would love to see her work. Please know your precious family is in my thoughts and prayers. Our family loved your Mom dearly!*

*Karen Hackett*
