“ Hazel was a good friend and a godly example to me. She loved my children and she always wanted the best for me. I was oriveleged to be able to drive her to church when she was no longer able to go herself. We liked Sharing pictures of our family with each other and sharing carrot cake at Dwight's, banana splits at Mayberry's, and lunch at Captain D's. I cherish the organ she gave me when she had to move out of her home and eventually into the nursing home. I will miss our visits together. Love you Hazel! I'm glad you got to meet your your Lord and Savior God and reunite with your husband and loved ones. Have fun until we meet again!

“ I remember how pretty she was. She let us have a party in their new home at Hernshaw, we thought she was so cool. Also remember the great times I shared with her and Jr at the Lens Creek Nazarene church. They were a wonderful influence to us kids. David you were a true blessing for her. Sacrificing your time to take care of her all these years. I'm sure she knew that she could count on you. Know that she is with your Dad now and pain free. Bless you and family, my prayers will be with you. I am out of the country an cannot attend tomm. But my thoughts will be with you. Tell Roy I said hello and am sorry for his loss.

“ There is not enough space for me to share all the memories of my Aunt Hazel. She and my Uncle Junior shared an anniversary with my parents Edith and Earnest Craddock. They had a double wedding on July 17, 1948.

Hazel and Junior's home was always open to our family and were great influences in both my life and that of Randi's(my daughter). She loved going to their house because she believed no one could cook like her Aunt Hazel. Though she will missed by all her love ones, there is no doubt that she is rejoicing in Heaven with Jesus and happy to be with her loved ones. She and Junior were one special couple and now they together again. I love you and will miss you. One of these days, I will join all of you in Heaven and what a glorious day that will be. To my cousins, Roy and David, just remember all the great times that you had with your Mom and Dad!!! To Cliff, her grandson, your grandma loved you and was proud of the young man you have become. Jennifer and Molly(her granddaughters, she always spoke of you with great love. You could hear the joy in her voice when she talked about you. God Bless each one of you. Love to you my cousins!!!

“ My favorite memories are of her homemade biscuits and gravy for breakfast when I came to visit. She had a laugh that was contagious, and she always made me feel loved. Until we meet again, know you will be missed.
