“ *Helen was the closest thing my father, Ray Murdock ever had as a sister and he loved her very much. I know that he was there at the gates of heaven when Boyd welcomed her into his arms. My family has so many great memories of "Aunt" Helen and "Uncle" Boyd and their family. Aunt Helen's cooking was always the best and you never went to their house that there wasn't something to eat and a good cup of coffee. Our family sends lots of love to all her family today.*

“ *Just want to take a quick minute to talk about an amazing woman that passed away just a few short days ago. Helen Canterbury (nanny) she was a giving, selfless, lady that would give anyone anything. I'm so blessed to have spent many years around her. I'm happy she no longer feels any pain. She up in Heaven with her dear husband (papa) Boyd Canterbury and my sweet baby sister Samantha. RIP you'll never be forgotten.*
