“ I have many wonderful memories of Eugenia, there are several that stuck out in my mind. One is her pure love for family, don't think she ever said good bye without saying "I love you baby" . Another how excited she got when you came to visit, she treated you like you were royalty . She was the most joyful person I've ever known. I was lucky enough to be a part of her life when I married her brother. It's hard to say goodbye, but I know she is with Jesus, still spreading her Joy. Ida Jones

“ To the family of Jeanne Phillips, What a legacy she left to all of you. A precious lady. There were four of us that tried to get together once a month if possible. We didn't get to get together before I came to beach. She was so excited to spent time with her sister and grand babies etc. So thankful that happened for her. She would give you the shirt off her back. She collected angels and now she is one. RIP Jeanne until we meet again. Love and prayers Patty as she called me.

“ Jeannie was one of the sweetest friends I have known. Always thinking of her family first, and friends. Fortunately for me, she came to visit me at the hospital about a month ago while Richard was here and we got to talk and remember the days that our kids were growing up in our addition and the good times that we had. We hugged each other and I told her I loved her and she told me she loved me, and I new she meant it. Such a wonderful wife, mother and friend.

I am sorry I will not be able to attend her memorial, but I will be thinking of her and her family during this sad time. God Bless you Richard, Rick, Marty and family..
