“ *Helen was a special person to me. During WWII mom and i went back home to live with my grandparentts Helen and Marcella were in their teens and I basically was their younger sister and grew up with them...she always told me I was her younger sister. We shared so many good times and I will sorely miss her.*

“ John and Dave - your mom was like a second mom to me and I've thought about her and your dad from time to time. I learned some interesting things about her in her obituary. I'll always remember her playing the piano one night and we sang Christmas carols in the living room ... thank goodness her playing drowned out our singing! It was always fun in the Rogers house and your mom was a special woman and leaves us good memories. Prayers and love for your family in this time of sadness. Ron Huffman

“ *John and family,*

Praying for all of you. I know of one very happy husband! :) I know your Mom is only gone from this earth, and is now in a safe wonderful place. John, I appreciate you and your family and the love you all have shown in taking care of your parents. You guys are the true meaning of what a family should be. I'm sure Mr. and Mrs. Rogers both were thankful for such wonderful children and grandchildren.
