“ Becky and I moved to Fraziers Bottom in 1993. That's when we first met Dick and Joanie. They seemed to “hold court” on their front porch at the mobile home park. Everyone would stop by for a few minutes, or an hour...maybe more to catch up on the latest gossip around the community. They both would fill your ears with the latest gossip, or stories of old times around Fraziers Bottom. Sometimes informative, sometimes outlandish, but always entertaining. Now they're both sitting on the Big Porch watching time go by.

Dick was well known for his "Big Garden". He loved the competition with his neighbors, and always shared his bounty. When his health started to fail he took the time and effort to raise his "Little Garden"...you can see him peeking from behind his enormous cucumber plant in the 2012 photo below. He was what I call a "good ol' boy"...even when he was ornery...which was quite often.

If Dick and Joanie are listening...

Becky and I would like to say, “We miss you both dearly.”
