“ *Herbie always had a smile on his face and eager to lend a helping hand whenever he could. He helped us cut grass every summer so it wouldn't be so hard for just one person. The kids enjoyed his gifts throughout the year, especially the watermelon. He always bragged on the pumpkin pies I brought to him at Thanksgiving and Christmas. He will be missed and my sympathy and prayers go out to his family, and I am glad to have known him and been his neighbor.*
