“ Dear Dessie,

No words can express how very sorry I am for your loss. Losing a parent is one of the hardest lessons in life. Please know that we are thinking about you and your family during this very difficult time and that we are here should you need anything.

“ Joe was one of my closest friends and neighbor when we worked together, car pooled together and attended each others family gatherings. I feel so very sorry for not having been part of each others lives for the last several years since retiring and moving from neighborhood. Praying for the family as I know your grieving. This is a time to rejoice as we know he is no longer in pain and in a better place with our Lord and Savior.

“ He was my big brother and helped me thru life until he was drafted into the service. When we were kids, he would take my sister's and my dolls apart to get the rubber bands that held their arms and legs on ! of course they were useless then ! Oh the things he did ! I loved him so and I am so glad that his children loved him so much and took such good care of him, my heart hurts for them and mine has a hole in it. But God is by our side and never leaves us. Love forever and ever. Kimmy

Worked with Joe at the Technical Center. Joe was a fine gentleman. When I had a death in my family, Joe was the first person to knock on my door to offer condolences and to bring food for us because we had been in Durham, NC for nearly 3 months and had very little in the house. I am very saddened to hear this and Joe WILL be missed very much!
