“ *Ila was in our Bible Study group at Lippert Terrace. She was one of the most loved and respected ladies here. I sure will miss her sweet voice calling every Monday reminding me to come to Bible Study. She would say: "Now Carol, I sure hope you can make it. You add so much to the class and we look forward to you being there. " With an invitation like that a person just had to show up. I am so sorry for your loss and will keep the family in prayer. I will miss her so much.*

“ *We have lost a very special lady. Ila was a very special person to me growing up, living next-door to us for many years. I always felt like she was my second grandmother. I never saw Ila without a smile on her face or a nice word to say. Heaven has gained a special angel. Can't wait to see you again.*
