“ Fuzzy & Vicky,
I'm so sorry for your loss. My 2 favorite memories of your Mom was her beautiful smile every time I walked into the Fizer home, and her always insisting that I eat something while there. I didn't know if she just loved offering food to guests or if she thought I needed some meat on my bones. 😊
I'm sure she received a big welcome from your Dad, Kathy and Mary. Oh I can almost hear them teasing each other now. 😊❤️

“ We lived close to Inez in the early 70's. I loved her very much and missed her when we moved away. She was a wonderful person and would do anything for anyone. She will be greatly missed by all who knew her. I remember she always said before she went to bed well I have to put the kitchen to bed now. I'll see you again Inez. 😭😭😭😭

“ Vicki and Billy,

My deepest sympathy. I'll never forget the day Inez and Reid and all the kids were visiting at my parents house. We were playing horseshoes and I had a toss that rolled and hit her in the leg. Inez laughed it off but I know it had to hurt like the dickens. She was a lovely lady.

“ I always loved to visit Aunt Inez and Uncle Reid. Such fun at their home. Going on the hill and running down so fast you didn't know if your legs could keep up, the tree swing, the plum trees, honeysuckle bushes and working in the garden. What wonderful childhood memories I made there. My thoughts are with you all. Love and prayers.
