“ My sincere condolences to Katy and the entire Coyner family. A few years back I had the pleasure of getting to know Jack as we shared Coyner family genealogy that neither of us were aware about. Jack took me to a few of our ancestors resting places. We had a great time talking about all of our past cousins. I was shaken to see of his passing. Rest in peace Jack.

“ Katy, Todd, Scott, Chris.....Jack Coyner was always my best friend forever. I have many fond memories of how he and I worked together, from his playing center on the Hurricane football team in the 1950's, as well as him being high scorer in basketball. Also, I will never forget the 2 years we operated the ice cream truck as partners in ownership. He was a very hard worker, and a dedicated educator in Putnam County. I and my family will never forget "I Jack" and how he loved his family. Jim McGehee

“ Jack was one of the good guys... everyone respected him because of the way he treated people... I had the honor of playing golf a time or two with him and his friends... always a coach and a sportsman... there was never a time that whenever he saw me either out an about or in the schools that he didn't ask how I was doing ... Always asked about my brother Rick and how he was... Jack was a good man and will be greatly missed
