“ *It was a privilege and honor to have met Jack and his wife, Phyllis, and to continue to be friends with his daughter, Karen. Through their graciousness "The Golden Girls" were given many fond memories of their cabin on the lake. Karen was very close to her Daddy and I know a huge hole is left in the heart of her family with his passing. They have great comfort knowing that he is in heaven and that they will see him again some day. A long and happy life was lived and now eternal life will be enjoyed by him. Love and Prayers to all the family, Karen V.*

“ *I would like to thank Jack and Phyllis for allowing us to stay at your lake house
with your daughter and our friend, Karen. We loved Flat Top Lake. How very kind
and generous of you to let us use your home and boat. We made many precious
memories there; as, i am sure, your own family made many there also.
Much love to you both. My prayers are with you, Phyllis and family. 'Til we meet
again..*
