“ *Papaw Jack was one of the kindest men I have ever been blessed to know, he always made you feel like you were part of the family and was willing to help with anything. He always treated my kids like they were his! Papaw had more "little buddies" than anyone I know!*

As for the rest of the family...my heart breaks for you, and I pray that God will wrap his arms around you and give you peace that only he can! Sending all of you my love and prayers!

“ Jack was a one of a kind man. He always lent a helping hand to those who asked. He loved his family dearly especially his grandkids. My grandchildren are truly blessed to have a Papa like him. Even the ones that weren't his biological grandchildren called him papa. He couldn't have loved them more than if they had been his. I am blessed to have known him. Rest in peace Papa Jack.
