“ *You were always with me, gathering pop bottles for \$.03 each, football at the warehouse field, paper routes, both of us trapped on the roof for hours by a German Shepherd, you fought for me and I for you. We were Cisco and Pancho, Roy and Gene, and Robin and Little John. God I'm gonna miss him. With any luck, someday I'll ride into the sunset to meet you again. *You were gone before we knew it,  
and only God knows why.  
A million times we will miss you,  
A million times we will cry,  
If love alone could have saved you,  
You never would have died.  
In life we loved you dearly,  
In death we love you still.  
In our hearts you hold a place,  
no one else can fill.  
It broke our hearts to lose you,  
but you didn't go alone,*
