“ To the Creameans Family,our thoughts and prayers are with all of you. Jack was a special person and a great man. As a young official , he would always offer constructive criticism which I greatly appreciated. We all will miss Jack.Skip ,I used love to hear your dad complain about Don Nehlen and the Mountaineers. He will truly be missed.

Sincerely,
Steve and Robin Graley

“ Simply put, Jack was one of the areas best football officials and his son, Skip, was one of the areas best coaches.
I always had the utmost respect for Jack and his family as I offer my sincerest condolences. We all know jack is in a better place than us now free of any pain or worries.
Take pride Cremeans family in knowing that Jack literally touched thousands of lives and left a legacy in which you all can be extremely proud of.
May Jacks spirit stay within your hearts and may he always look over each and everyone of you.
Grieve today and stand tall tomorrow knowing all that Jack stood for.
May God be with you. As you look down realize there is only one set of footprints through these challenging times as God carries you through.

“ Skip, Mary Skot, Lyle and Lyla, growing up in your back yard are very fond memories of your dad. The beach trips, the looks from the choir loft down at us cutting up during church services and just his caring for his family, friends and his church. My thoughts and prayers have been with you these past few days, knowing all too well how hard it is to lose a dad, my prayers are of comfort and wonderful memories to cherish going forward. Knowing he is in God's loving arms and pain free is wonderful comfort that he lead a wonderful life.

Love you guys,

“ Jack's family: We are so saddened by the passing of our old friend, Jack. Please know that we care and that we will always remember special things about him, such as how well he could sing, his referee jobs, and his enthusiastic response at watching ballgames! Hold on to your good memories, because he was proud of you. Your friends, Jim and Joy McGehee, Mount Airy, NC
