“ Grandpa, I didn't get to see you, or spend much time with you, but I can say that you have made a lasting impression on my life. I will never forget you, and will always cherish the time we did get to spend together. Thank you so much for all of the memories you had in racing that you shared with me. I will pass your stories on to my boys. And know that you live on in my Skyler. Every time someone asks where he got his height from you are always the answer! Love always, Mandy
