“ *Robert, Lynn, Sharon, Debbie and Robin:
Our thoughts and prayers are with you and your families today. We wish we could be there as "Jimmy" was family to us as well. He was a great man, friend and father. He will be missed. Many years have passed since our childhood days on Lore Street but our families have seemed to stay together thru time.

“ *I spent a lot of time at the Nutters' when I was in high school and friends with Sharon. I became close to the entire family and have wonderful memories of Jim and Pooge. They were always kind to me and welcomed me into their home like I was one of the family. So happy that I stopped by to see him the last time I was in West Virginia! Sending my love and prayers to Lynn, Sharon, Debbie, Robin and Robert!*

“ I know hearts are heavy with the sad loss of this man, but we all know that the Lord and Pooge welcomed him with open arms this week. I will never forget one time when I was at the Nutter home on Lower Street and Jim had a deer head soaking in a barrel full of some kind of liquid preparing it for mounting. That made a real impression on me as a young girl. My dad was from way out in the country but I had never heard of anyone doing that before. Sharon and Lynn tried their best to get me to go look at it, but I just couldn't. I have often wondered if he ever got that project finished.
