“ Kay

I am so sorry I was unable to attend the visitation / memorial service to share my condolences with you. Jim was a special part of all our memories from the KVB/OVB days, and even the transition with BB&T. When I started as the corporate training manager and shared time with him in class and in different company initiatives, I always enjoyed and respected his contributions. Certainly he was an operations expert we all learned to depend on for support.

God Bless you and the family.

“ Kay, I am so sorry for your loss. I worked with Jim for 33 years at One Valley/BB&T. He was a very knowledgeable banker and I learned a lot from him over the years. Most of all I will remember his sense of humor and his dedication to his job.

My Heart is so sad with the departure of Jim, my co-worker, boss and friend. I understand your sorrows, the same as I recently experienced with the passing of Bobbie, my wife. I pray our Lord will give you comfort during this sad time.
