“ *I just found out the passing of Uncle James last night. He will be missed. His nephew Dan, son of Louise*

“ *Many Many memories of Uncle Johnny. From throwing fly balls with a promise of a dollar for each successful catch to shooting pool with a similar prize, Uncle Johnny won the hearts and respect of me , my brothers, and many others I'm sure. Last night I informed Bonnie and Brittany of his passing and asked Brit if she remembered him as she was a little girl when they met. She rattled off vacation at the cabin, almost running off the icy road on the way up, the big breakfast, etc etc. No doubt, that one visit touched her heart too. Yes, he worked hard, but he always had time for us. When dad died and with a long drive to PA for the funeral in front of us, it was Uncle Johnny who came to FI to drive us and provide the strength for us to get through it and he even made the trip fun in spite of the circumstances (Although the \$100 speeding ticket he received aggravated him a bit) I will be forever grateful. To Aunt Jane, Mary, Johnny (I still think you owe me money from the pool table) Sarah (remember the Dairy Queen) and Mark (sorry you ended up in your room so often) our hearts are with you during this time but know that your Dad was a kind and great man and we thank you for sharing him with us.*

“ Mary, Nelson and Candi: We will always remember you 3 and are so very sorry for your loss. We have moved to Mount Airy, NC (1 year ago). We came here to be closer to our kids and grandkids. We made a good choice, even though we miss Hurricane. We found a Baptist Church here almost as good as Hurricane's! Please know we will keep you in our prayers, Mary, and anytime you come through here, or your family, you are welcome to spend the night with us. We bought an old house and have lots of room. We are only 10 minutes off I77. email address: joybellem@gmail.com
