“ I first met Mr. Stanard at Hurricane Bible Church. He was such a blessing to all who knew him. I later started cleaning house for him. I used to enjoy going over and visiting him and hearing his stories... Sometimes it was hard to do my job because he just wanted to talk.... I will always remember those times. He was such a godly man. He always had a smile and a kind word! Looking forward to seeing him in Heaven!! Sorry I wasn't able to be at the funeral. My thoughts and prayers are with you all. “ Our families' prayers are with the honorable James Dyer Stanard family today. My uncle PFC Clifford Eckard served in the 319 82nd Airborne. I was born just before the war was over. Because the new section of the Rt. 35 highway is taking part of the family farm and a huge bridge was built through the cornfield -- the bridge will be named in his honor. There is one question we had -- and always wished we had asked -- how many of the 319 returned after the war? I am sure your family must be so proud of the service of James Dyer Stanard. He served his entire life for the country. My uncle had one arm and wasn't able to be in the honor guards. He was murdered during a B & E at his home in 1988. He was 77. I would be most grateful if the Stanard family could answer my question about the number of the 319 who returned. Mrs. (Karl) Zara Alice Click, 2875 Chestnut Ridge, Mt. “ Dyer loved gospel music and I'm so glad I had the opportunity to sing to him many times. He will be missed, but only for a little while. One day, we will be with him again in eternity where we will never grow old and shall be with the Lord forevermore.
