“ *I remember always coming into Kroger's and seeing her friendly smiling face. She was a very good person.*

“ *I will remember Janey, mostly from our last few reunions--especially when I was staying with Kathleen (Lawrence) and Johnny. I think she lived near them--at least we went to several picnics at homes in the subdivision. We sent letters back and forth for a while and I loved hearing from her. She was a sweet woman who loved her family and her high school classmates.*

We lived so far apart , I would see Janey when I came home to visit, and go to Kroger . She would always welcome me with her wonderful smile. She was a good friend while in high school. She will be missed.

“ *Jane and I used to go to church together. We shared a room on a Bahamas cruise in 2003 with a group from our church. We had a great time.*

“ *"Though time and distance may come between those whom have been such an important and loving person in our lives~~~We will never, ever be more than " A wonderful memory apart." So fortunate to have crossed paths in this life with Jane~~ We were in Fairview Grade School together...I do not ever remember seeing a frown on her beautiful face.....If I listen very good...I can still hear her healing laugh...All whom were ever fortunate enough to take the time to know our "Jane," Have truly enjoyed one of Gods special gifts to us... ..I was fortunate enough to take my mother to "Kroger Grocery Store.." for many years...She made the shopping so pleasant! What could have been a better shopping day then to be with your Mother and Jane!!! The 1955 Class of Saint Albans High School has lost a very gracious lady....Heaven has gained this dear friend "We cherished so much." I am sure when our past class mates meet "Janae," they will know she is joining them with that heavenly smile and laugh she always had for all of us~~~~~Our prayers will be with her family and all whom were fortunate enough to know her~~~With my deepest sincerity...Janice Wisman Jones*

“ *So sorry for your loss. Janie and I were interested in outside flowers, some times we would share. Janie was a beautiful person. When she worked she always had a smile and some conversation. I know she had severe health problems in recent years, and will be missed by all.*

“ So sorry that we lost Janie. I remember when we were lower classmen in high school and my mother allowed me to have a party in our basement. Since this was my first party, Janie taught me how to be gracious as people were leaving. I'll never forget. Also, she was my roommate at our reunion at Hawks Nest some years ago. A delightful person.
