“ Granny would take me to the Nitro pool. In the summer and we would sunbath like two teenagers even though I was a little girl. These were long before the days of sunscreen mania and she would squirt me down with baby oil and water.

*She always loved nice clothes and perfume. She was feisty and a lady through and through...Brandy*

*Also in the moments of grief,we sometimes important things slip our minds. Liberty's last name is Gearheart as is her daughter Brianna. And young Baby Caire the daughter of Isaiah.*
