“ *My deepest condolences to the family. Losing a dear loved one can leave a very empty space in one's life. Please find strength, hope and comfort in the God of Comfort (1 Corinthians 1: 3,4). You can read or listen to the Bible online at www.jw.org*

“ *Jan (Snideley) was my best childhood friend from the minute her family moved to South Charleston, where her father was Principal of SC High School. My family moved to Lexington, KY at the beginning of our 5th grade year, but we continued our friendship through letters and annual summer visits (two weeks at her house and two weeks at mine) until we were seniors in high school. During my visits to So. Chas., Jan's mom always made fried chicken, mashed potatoes, gravy and vegetables on Sunday while her father took us to church.*

We shared so many adventures and laughs - it would take a book to write about them!

My thoughts and prayers go out to her children and grandchildren and to her sister, Frances.

Rest in peace my friend.
