“ *I was blessed for 16 years, to have known Jay and been a neighbor of his for that long! Jay took me once a week, for several weeks, on a 110 mi round trip to Ashland, KY, in 2012, for me to have Irradiations for my cancer! I was on strong Chemo and could not drive! We got to know one another and I thought the world of Jay, as a man, a neighbor and as a friend!*
