“ My favorite memory of Aunt Carroll is the reunion food she always prepared for us. Her recipes and cookbooks have been a favorite of mine since I started cooking. She was the Paula Dean of Pliny WV. She was one of the best cooks of all time. She was always very loving and very interested in what we were doing in our lives. She will be missed. Terri, Dale and family you are in our thoughts and prayers. Love, Donna Lynn and Jim.

The thought of Carroll passing saddens my heart greatly. She was an exceptional woman. She was a very smart, strong, and loving woman and a heck of a momma. She had more talent, patience, and understanding then several individuals put together. Terri, Dale, and family my heart aches for you. My condolences to each of you.

“ *Heaven celebrates while those of us left behind mourn. Aunt Carroll was one of the sweetest people I know. A real joy to be around. I regret not being able to be around very much. She inspired me to cook big tasty meals and make a mess while doing it. Said that's how your Dad did it. I will miss our occasional phone call and seeing her at the reunion and on other rare trips to WV. I pray that cousins Terri, Dale and their families find comfort in knowing that she is in a better place, and they find strength to carry through this difficult time. I love you all. Tom*
