“ *I always knew you as Jeffy so that's what I will call you now. I will always remember our times together from going to Silver Springs Florida, when you still wore a rat tail hairstyle, to jumping on the trampoline up Honeycutt holler, and becoming a member of your Clubhouse where we would go and hang out when I would come up to West Virginia. I Don't know what happened to you , but I am bleeding at the heart. God Rest Your Soul, I will always remember you my great friend. My heart goes out to you Jeff ,Reese , Lori , Charlene, Mike, Boo, and any others I have failed to mention who are affected by this tragedy. I pray that God will ease your pain and suffering.*

“ *You have left everyone far too soon and will be dearly missed by so many. You were always such a good hearted, caring and compassionate person! I will forever remember you and keep your memory alive for your son ... Brinton absolutely adored his daddy and I know he always had a special place in your heart as well. May you always look down and help him on his days in which he may struggle-- he will always need his daddy <3. Go Rest High on that Mountain now---- their arent enough words to put down just exactly how much you are gonna be missed and how much everyone I'm sure loved you.*

“ I can remember being in Tiger Cubs with Jeff when we were little. We would all chase each other around the fire trucks at the Fraziers Bottom station. One night Jeff was chasing us around the fire trucks and he came a little too close and knocked himself out flat on grab bar. I remember thinking he must have been hurt bad and should start crying at any second.

He ended up jumping up 10 seconds later laughing with a big knot on his head.

He was tough as nails.
