“ I have known Jeff since he lived in Clay County. I had no idea he passed away until I searched for him to send a friend request and found out he passed. I am so sad. He was on my mind. R.I.P Jeff. Sorry for your Family's great loss.

“ Lyle and Sylvia..So sorry to hear of Jeff's passing. He was such an incredible young man. He always had a smile on his face and a Laugh waiting. I remember how eager he was to learn to play guitar and how hard he worked at it.He never forgot anything I taught him. We used to be in the weight room and he would sometimes say that he wasn't feeling "enthusiazzed". I still use that word, and I always think of Jeff when I do. There are friends who, although you may not see them for years, make a lasting impression that you never forget. Jeff was one like that. Our Deepest Condolences.

“ Dear Sylvia and Lyle:

It is with great sorrow and my deepest sympathy I share with you today at the passing of your son Jeff. My memory of Jeff is that of a young man with a smile on his face and his hair blowing in the wind as he rode his motorcycle down the road. My prayers and thoughts are with all of you today.
