“ Thom, sorry to hear about your mom, she was such a nice person, I can remember when we were kids riding bikes she'd stand on the steps of the old place & just smile say, don't let "Tiger" get you in trouble. She was so proud of you & Johnny, she was a great person to know. To her us kids could do no harm, just being kids. My prayers are with you and the family. God bless you all. “ Aunt Jen, you were loved by so many who's hearts you touched. I have many special memories of all of us at the beach, me watching the funeral home as a teenager and pulling the fire whistle ( that was a treat now!) but mostly of you and Uncle John who always made me feel like a grandchild. You're having a grand reunion now and I've dreamt of you a few nights recently, you're at peace! ❤️🙏
