“ *Jeremy was a Godsend to me and all the others here. He would help above and beyond what was expected of him and never ask anything in return. Kind, compassionate, respectable, generous.*

We had some good times together. He was the glue that keep us too. I have a disability, and Jeremy was my right hand literally. He did all my writing for a long time, plus the million other things he did for me. I wanted him to go home, but wanted him to stay too. He was such a good guy. We do and will miss him always. He was a great artist. I'll keep all the ones he has done for me. We want to do something in memory of him. If you need to talk about him we will listen and talk about him too. Our thoughts and prayers are with you all at this time

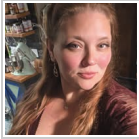

*You had a fine man for a son. With deepest sympathies.
Denver(Happy) and Mike Moore.*
