I am sad as I have read this obituary this evening. I worked with Jerry at Union Carbide back in the mid 80's and always enjoyed the times we have spent for many years singing Gospel music at places like Cottageville and so many other places all over WV and Ohio. I would like to send my condolences to the Fisher family. Jerry will be missed but never forgotten.

“ Jerry had a wonderful sense of humor. He loved life and singing but most of all he loved his three boys and grandchildren. He was so proud of them and the young men they've become. He will be greatly missed.

“ *I only knew Jerry for a few years, but found him to be a true friend. He was always a gentleman and a joy to be around. My prayers go to the family and encourage them with knowing that he has seen his Savior of whom he sang about for over 55 years. I will see you soon, brother!*

The first time I met Jerry I was singing with the Hillsmen Quartet and Jerry filled in at bass for a short period of time. We became friends at that time and our friendship continued for many years since. I had the privilege of singing with his group the Joyfullaires and then with the Gospel River Boys Quartet. Jerry always had a smile on his face and was a great example of a true Christian man. He was a good friend and confidant. I can still hear him say (Hey Jackson what's happening?) Rest In Peace my friend and I pray we have a great reunion in Heaven some day! - Jack Halchak

“ Jerry was a great man. Very loving and kind. He loved his grandchildren and was so proud of his sons. He deeply loved his mother. I truly enjoyed my time with him. He didn't want to miss his grandson's games or a concert. He was always ready to go. He will be missed by many. Please accept my deepest sympathies.
