“ I will miss my big brother so much. He was like a second dad. He always looked out for me and threatened to whoop my butt if I got into trouble, haha. I always felt safe knowing he was there. I will miss our conversations about childhood memories, and most of all, our long talks about God. Jerry wanted everyone to know about Jesus. I have peace knowing we will meet again in heaven someday. I have no doubt that he's with mom, Larry, the grandparents, and Jesus! We lived far apart, but our hearts were always close. I'll miss him calling me his little sissy and chunky girl, haha. I love him so much.

*My heart and prayers go out to Crystal and Mike. I love you both and I'll always be here for you.*
