“ *I want to offer my deepest sympathies for your loss. The loss of a loved one is truly heartbreaking. I want to share a scripture that has brought me much personal comfort. Isaiah 25:8 gives us this reassuring promise, "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." Very soon God will bring all our dear loved ones back to life through a resurrection. Imagine having all our dear loved ones reunited with us forever. How we long for that special day.*
