“ *Love you Uncle Dennis. I will miss your laugh and your effortless ability to make others laugh and feel at ease. I have many relatives and have known many people over the years; not a single person that i could say "They're just like my Uncle Dennis". You were the first person to ever sit beside me while i tried to drive a car...Your old dune buggy...I'll never forget that day. I'll never forget you. I will miss you greatly and share my sincere sympathy with the rest of our family. Life doesn't have a happy ending because in our hearts and memories, it never ends.*
