“ Jesse was a very kind gentle soul. I never heard anyone say a negative thing about him. He was like a 2nd father to me. I did not realize how much influence Big Jesse would have on my life until I was much older. I spent more time with his family growing up then I did with my own. His son and I were best of friends, or more like brothers. I always remember on Friday nights he would always come home with a pizza topped with everything, an on Saturday morning we always had a big breakfast with bacon, sausage, eggs, toast and fried wieners. I had never eaten fried wieners for breakfast before then, I still have them for breakfast today. I moved away from Winfield in 1990, I never seen Jesse after that move. I did reach out to him a few times as I got older to thank him for being so kind to me as a young boy. I think I will order a large pizza with everything Friday night and have a big breakfast Saturday morning with fried wieners.

“ I love you Uncle Jesse, you're now in the presence of God. You're with all your loved one's that have been waiting for you to see the beauty that awaits us all who serve Christ. Jesse always had a smile on his face and a joking way to make me laugh. But when it was serious time he was direct to the point. Never ever seen him turn anyone away that needed help. I will miss You.

“ *Praying for you all. Jesse was a great guy. He was always smiling and really fun to be around. He was an inspiration to others by the way he never seemed to let things get him down. Keep going, Keep smiling, Keep a positive attitude. We haven't lost him, we know where he is, we just have to wait a while to be with him again. I pray especially that his whole family is ready to meet him again one day and that God will comfort you as only He can.*
