“*Jessie was so full of life, always smiling, happy, out-going, caring type of girl. She was a thoughtful person, she was so excited when she knew our mom shared her birthday, she went and got mom a arrangement of flowers and brought them to her and to this day 20/21 yrs we still have them. She was so excited when she was giving them to our mother and mom loved Jessie. She would give you the clothes off her back or her last dollar, that's just how Jessie was. I remember her going on a field trip around 5th grade and she came across a homeless man that was asking for food and she gave him money to go buy himself something to eat because she was worried about him being hungry...that was Jessie.*

Rick, Nancy and family you each our in our prayers. Keep the memories of Jessie close to heart and let her babies know they had a good mommy and let them know that when mommy was their age she wanted to save the world and help everyone she could and she wanted to make sure people had food to eat. I can remember seeing her and Xerxes at Tractor Supply and she was so excited when she came in and I asked her what she was doing and she said. ANGIE, We are getting more chickens, she was so excited over getting chickens, lol...she loved animals.

Jessie will be missed by her girls, keep her memory alive in their Lil hearts and let them know their mommy was a good person with a big heart, she will be missed by her parents for Rick and Nancy loved her dearly and my heart breaks for each of you, I never had kids but I know from my mother you never get over a loss of a child. Stand firm, think of that big smile and those Lil freckles across her Lil face growing up and big brown eyes and full of life, energizing, spunky, quick to laugh out loud, quick to help others.

We love you all and are praying for each of you. If you need anything, please let me know. DAVID N ANGELA CHANCEY-HILL
