“ Having worked as a Manager at Valley Park Wave Pool with Jim, I can say I cherished the memories of a man who was full of interfaith and dignity everyday. Jim was a low key man who did things the honest and right way. I love Jim Frazier and I loved working with him. He is in a place we all envy with his beloved wife. Thanks for the memories Jim, ones in which I will forever cherish. Coach Perry Estep

“ Jim was a fixture in Fraziers Bottom. From mail routes to lay leadership in the United Methodist Church, he regularly demonstrated service and kindness. With a gentle, yet engaged temperament, he set an example for family and friends. I am quite saddened by this loss, but know his impact will live on through the generations he positively impacted.

I'm confident multiple people will honor his memory with a Christmas ornament and maybe point toward the sky in celebration of future Marshall football wins, knowing he's routing for the team and us, like he always did. Thanks and love to you Jim!

“ We attended Winfield High with Jimmy, class of 64. He was a good friend, and encourager. He was most always elected to be our class president every year, he will be missed by many.

“ I will never forget working as a new hire, at Frazier's Bottom Post Office, back in 1999. Jim was the one that trained me, to be a substitute mail carrier, for his route. He drove, and instructed me how to place the mail in the boxes, all the while listening to classical music. I so enjoyed listening to his, and Frank Crist's stories, of their younger days. Life is so fragile and fleeting. God has prepared a place for all of those who believe in him, and accept him as their Saviour. One day, we will be reunited with all those that went before us. May God Bless, and bestow comfort, to all of Jim's family, friends, and loved ones. With our love and prayers, Paula and Mark Sturgeon.
