“ *Back in the 1980's, I was a young woman in my 20's and Jo Ellen took an interest in me. She gave me perfume and makeup. I even took my driver's test in her car - the green Maverick. Jo Ellen was such a fun person to be around. RIP Jo Ellen; I have the fondest memories of you.*

“ *I'm so sorry to hear of Jo Ellen's passing. She was a dear friend and neighbor to my mother Joan. Jo Ellen would share homemade foods with my mother, as well as other neighbors regularly. She and Mom visited with each other most days. Our whole family will miss her very much. Praying for your family.*

Sincerely,
