“ *I attended East Sattes Elementary School with Jo Ann (1941-46) and vividly remember her as the best arithmetic student in our class. Her speed of writing her numbers from 1-100 was unbeatable! She and I, as well as eight other students went to Washington D.C. in 1946 as school patrols. In later years, as principal at Nitro Junior High, I enjoyed having each of her children attend my school. She will be greatly missed by me and many others. Sincerely, Samuel F. Lee*
