“ Alice
Joan and I have been best friends from the time we met over 50 years ago. Her husband and my husband were in the US Navy. We lived in Navy Housing in PA and our children played together. Their son Eddie and our daughter Aimee were both born on the same day (Halloween) and when they were old enough joined the Navy too. After both families were transferred, we kept in touch and visited each other whenever we could and exchanged letters, phone calls, emails, and texts. Joan has always been very special to me and I will miss not seeing or hearing from her again.
Over the years, we expressed our opinions on many topics. It would be mostly about our kids, grand-kids, our dogs, etc. We also often discussed TV shows. One show that we faithfully watched was DWTS. We would text for the entire 2 hour show, commenting on the judges and dancers, etc. At the end of the night I would often find that our texts exceeded 100 . :-)
She will always remain in my thoughts and prayers. R.I.P. Joan

“ Joan was always so sweet to me and I enjoyed our conversations when she would bring Chelsea to me to get groomed. I cherished her not only as a client but as a friend as well. We had a connection and just understood each other. Over the years she became one of my favorite clients and I always looked forward to her and Chelsea's visit. To think I won't be seeing her again on this side of heaven hits hard. May she rest in peace in the hands of the Father. To be absent from the body is to be present with the Lord. ❤️
