“ I’m forever grateful for my last visit with my Papaw Joe. He was so joyful that day and got to meet my grand baby which was his great, great grandson... 5 generations! We talked about my mom and all the kids were doing as if we had not missed a beat! Christmas with the Crockett’s, all the yummy treats he and mamaw Becky would make and of course my all time favorite peanut butter fudge (because no one made it like my papaw) are special memories I will forever cherish. He will truly be missed
